Finding a Network Dentist

Faster, easier, friendlier – that's the way everyone wants information. At Delta Dental of Wisconsin, we've made our dentist directories accessible online and by phone.

Delta Dental has more than 145,000 participating dentists in our networks across the United States. More than three-fourths of U.S. dentists are associated with Delta Dental.

On the Web

- Our user-friendly website lets you find a dentist quickly and easily. Go to <u>DeltaDentalWI.com</u> and click the "Provider Search" tab and "Find A Network Dentist" in the drop-down box. Enter your address, city, and state, or ZIP code. Additional search criteria allows you to search for dentists by their last name or practice name, and ZIP code.
- Dentist listings will appear, with network affiliation (Delta Dental PPO or Delta Dental Premier) noted. You can then narrow your search to Delta Dental PPO or Delta Dental Premier network dentists, and narrow or broaden your search radius.
- 3. You can also narrow your search by specialty, gender, language spoken, and hours of operation.
- 4. Your search results can be sorted by name, contact information, and driving distance. This list can be printed, emailed, or saved as a PDF.

By Phone

To access our dentist directories from a touch-tone phone, call **800-236-3712** and follow the automated instructions. Participating dentists are searched by ZIP code.
