Coverage for: Individual + Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, https://eoc.anthem.com/eocdps/aso. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-877-512-7875 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$3,500/individual or \$7,000/family. All <u>Providers</u> . Combined in-network and out- of-network.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> for In- <u>Network Providers</u> or covered prescription drugs.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	\$6,000/individual or \$12,000/family. All Providers. Combined in-network and out- of-network. This plan has a separate out-of- pocket maximum of \$500 individual and \$1,000 family for in-network and out-of-network prescription drugs.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket</u> <u>limit?</u>	Services deemed not medically necessary by Anthem, premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See <u>www.anthem.com</u> or call 1-877-512-7875 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Do you need a referral	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
